The screenshot shows the Windows 10 'Software library' window. The 'Overview' tab is selected, displaying a list of installed applications. The 'Windows 10 x7890 Capture Tool Package' is highlighted in red. The window also shows a list of other installed applications, including 'Windows 10 x7890 Upgrade Tool' and 'Windows 10 x7890 x64 x7890'. The 'Details' tab for the selected application shows the package ID '871000000' and the package type 'Application'.
